Faculty Position

The Koch Institute for Integrative Cancer Research at the Massachusetts Institute of Technology (http://ki.mit.edu) invites applications for a junior or senior faculty appointment. Appointments are expected to be in the MIT Department of Biology, but other departments will be considered if appropriate. The Koch Institute is an NCI-designated Cancer Center, which features research across a wide range of areas in basic cancer research and cancer-oriented engineering. This is an open search with regard to field of study and specific research focus, but cancer relevance will be a consideration. The candidate(s) will be expected to develop and lead an internationally competitive research program as well as participate in undergraduate and graduate teaching. The successful candidate(s) will have laboratory space in the Koch Institute.

Applicants should include curriculum vitae, brief summaries of past accomplishments and a description of future research plans. Letters of recommendation should be sent separately from three individuals able to evaluate the candidate's accomplishments and future potential for both research and teaching.

Please apply online at https://academicjobsonline.org/ajo/jobs/4427. Complete applications are due by November 1, 2014.

MIT is an Affirmative Action/Equal Opportunity employer, and we are actively committed to a diverse faculty. Women and members of underrepresented minority groups are strongly encouraged to apply.
