

The Mass General Research Institute and the Broad Institute present...

THE SUPER SLAM

Join us virtually for a football-themed Science Slam!

When: February 3, 2021, 4:00-5:00 pm

Where: Zoom

Register: massgeneral.link/ScienceSlam

We're looking to field a team of all-star science communicators who can explain their research in layman's terms in three minutes or less.

No Powerpoint slides are allowed, but we encourage you to get creative with props, pictures, everyday household items or something we haven't even thought of yet.

The Super Slam is co-presented by the Office of the Scientific Director and the Broad Institute. It is open all members of the MGRI and Broad communities.
