

IAP Faculty Seminar 2022

# Gene Regulation and Expression

## Fundamental Principles During the Egg-to-embryo Transition

**Dr. Andrea Pauli**, Group Leader at the Research Institute of Molecular Pathology (IMP), Vienna

Tuesday, January 11<sup>th</sup>, 12:00–1 PM

Zoom link: <https://mit.zoom.us/j/97696281748>

## Single-cell Epigenomics: Gene Regulation at Unprecedented Resolution

**Dr. Jason Buenrostro**, Assistant Professor at Harvard University

Tuesday, January 18<sup>th</sup>, 12:00–1 PM

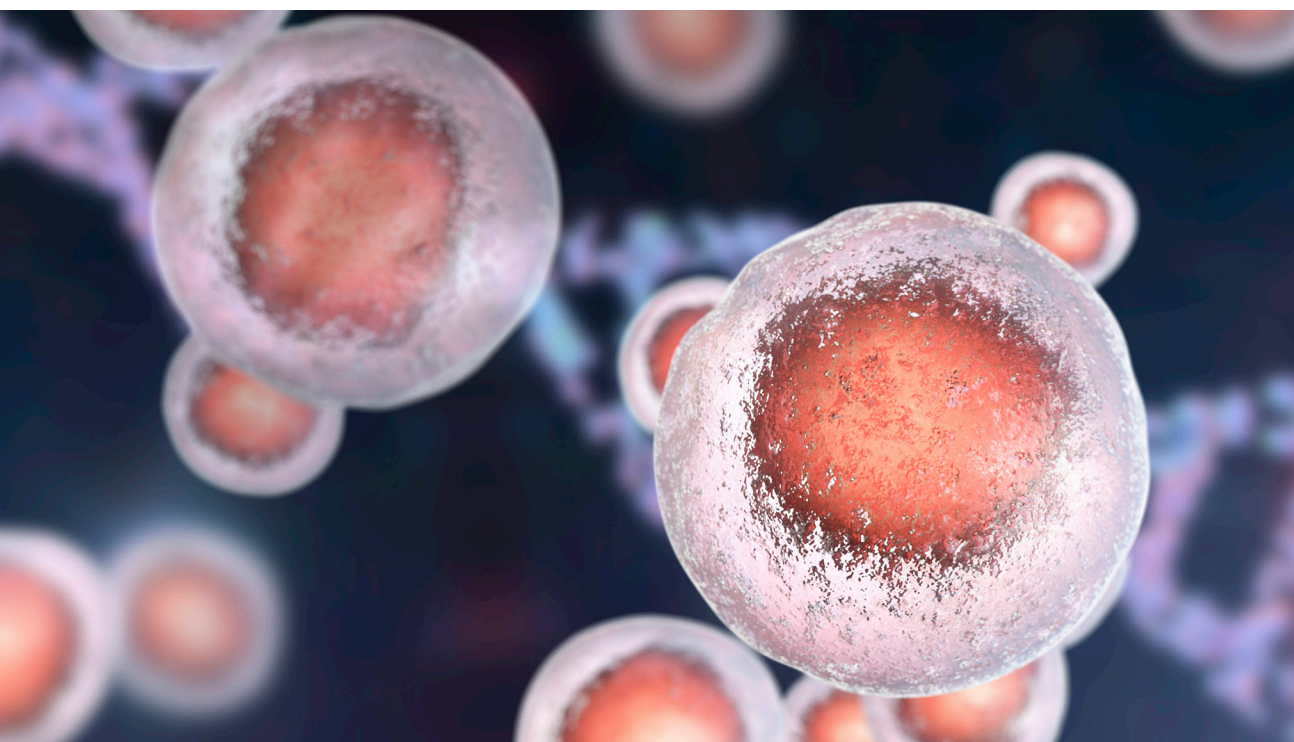

KI Luria Auditorium, 76-156

## Structural Basis of Chromatin Transcription

**Dr. Lucas Farnung**, Assistant Professor at Harvard University

Tuesday, February 1<sup>st</sup>, 12:00–1 PM

KI Luria Auditorium , 76-156
