The Koch Institute for Integrative Cancer Research at MIT cordially invites you to attend [SCIENCE with/in/sight: Cancer Research Futures](#) showcasing the work of our newest investigators.

Join us for an evening of science and networking. Learn about new frontiers in cancer biology and engineering through spotlight presentations and a panel discussion exploring the interplay between discovery science and clinical practice. The program will be followed by a reception in the Koch Institute Public Galleries.

**THURSDAY, OCTOBER 13, 2022 AT 5:30 P.M. EDT**
